

The block exchange shop

Name: _____

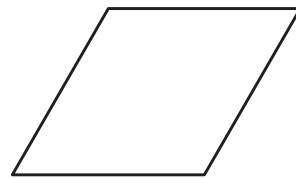

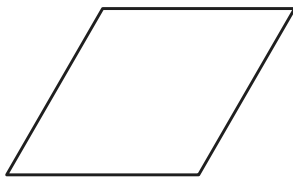

Date: _____

Cover each outline exactly: no gaps, overlaps, or pieces outside.
An adult can read these prompts aloud.

1. Trade the blue block.

Fill the first outline with a blue block.

Fill the other outline using only green triangles.

2. Trade the red block.

Fill the first outline with a red block.

Fill the other outline without using red.

Play shop with a partner.

Your partner brings a block. Trade it for smaller blocks that fill the same space. Then swap jobs.

How can you check that a trade is fair?

One block edge

Adult: print at **100% / Actual Size**, single-sided. This line is 1 inch (25.4 mm) in the default file. Match a green triangle's edge to it before using the mats.

Same outside, new inside

Name: _____

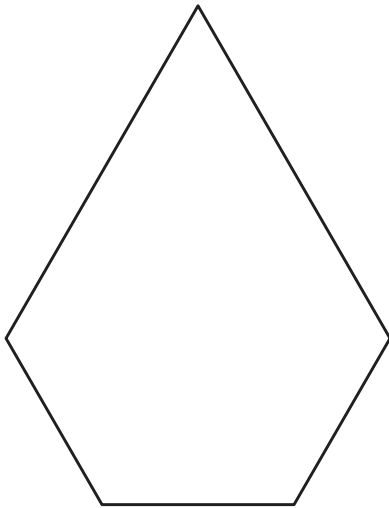

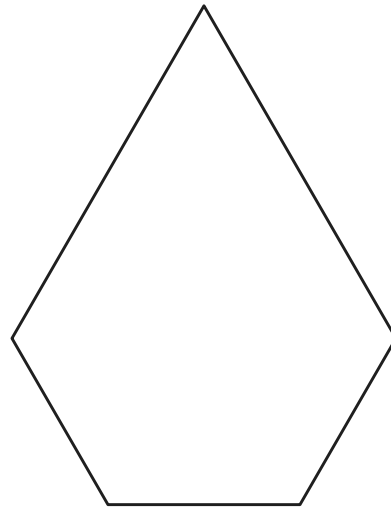

Date: _____

Use only green triangles, blue rhombi, red trapezoids, and yellow hexagons.

3. Build the pennant.

Fill Copy A. Fill Copy B with different pieces.

You may use the same colors in both copies.

Copy A**Copy B**

The outside stays the same.
Check for gaps, overlaps, and pieces outside.

Tell or show.

Which pieces did you trade? How do you know they fit?

Draw one trade, or show it with your blocks.

Build first. You may explain by pointing, talking, or drawing.
