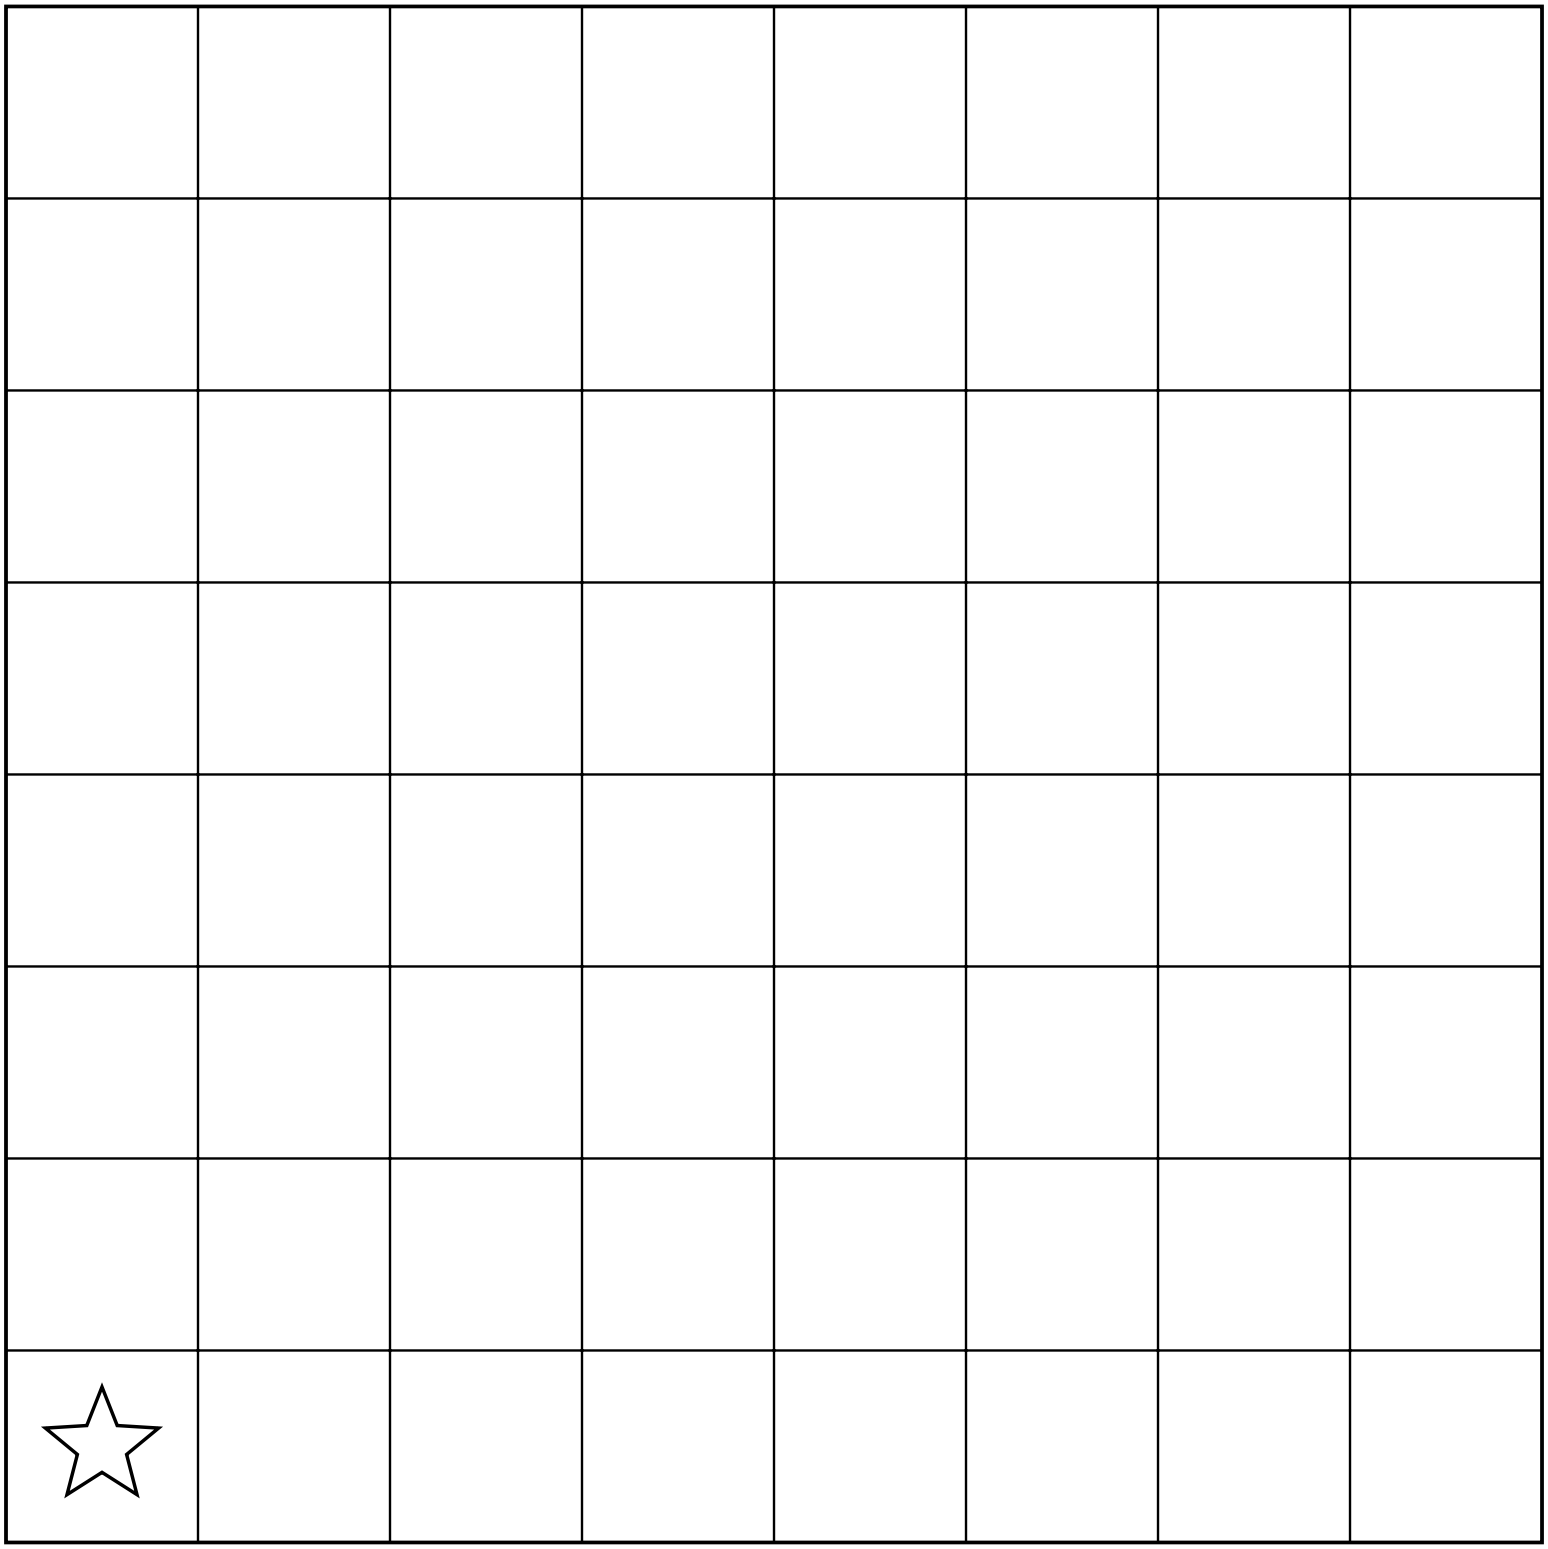
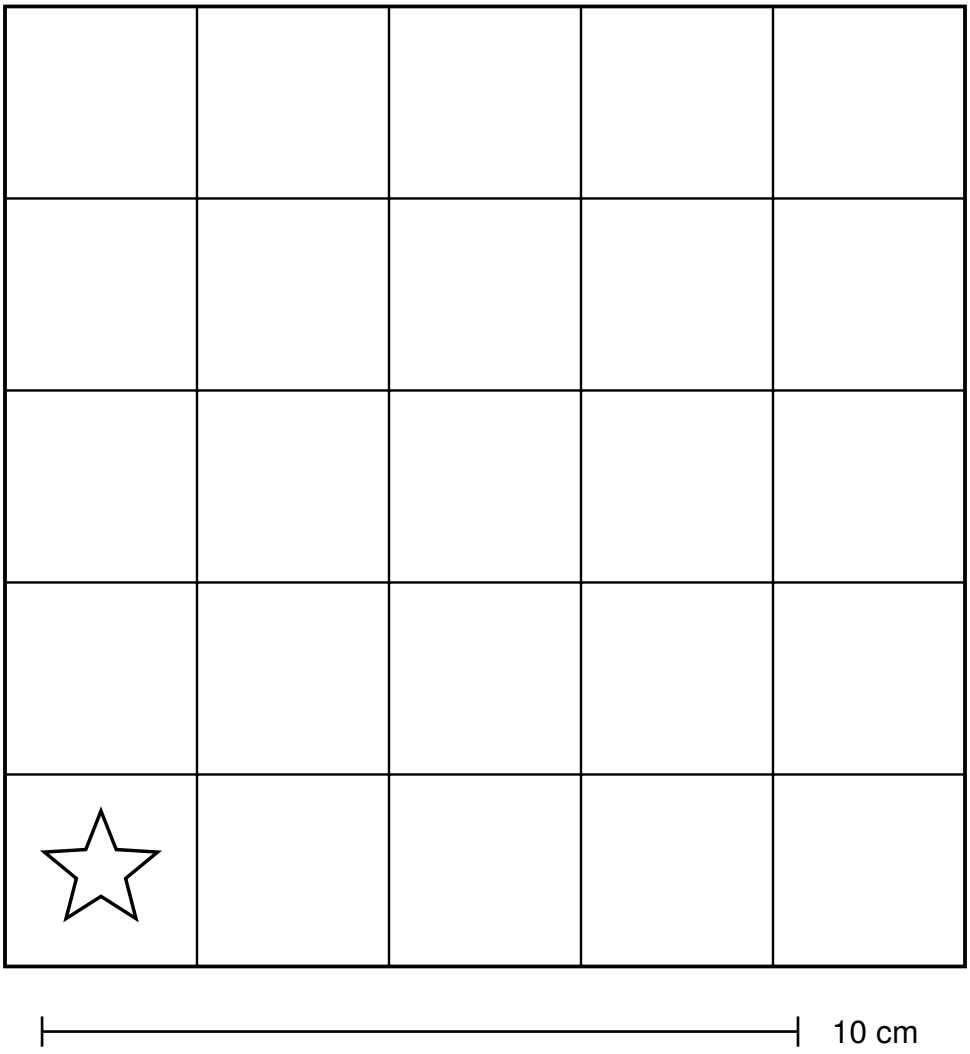
8-by-8 game board: print 7 copies (2 for each table, 1 spare).

Print single-sided at 100% (*Actual size*, not *Fit to page*). Check one sheet with a ruler before printing the rest: the line under the board must measure 10 cm and each square 1 inch.



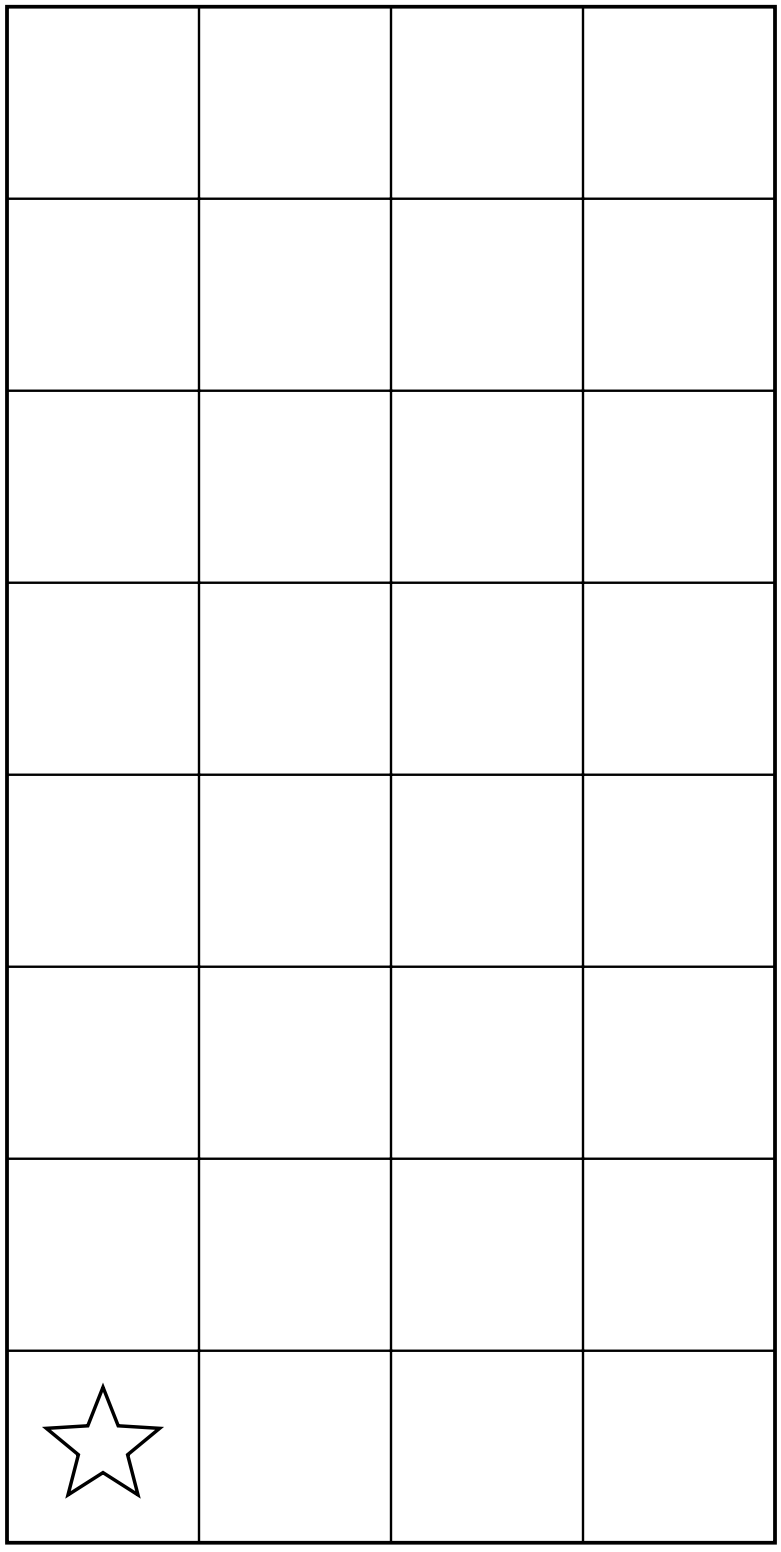
5-by-5 game board: print 3 copies (2 for the grades 2–3 table, 1 spare).

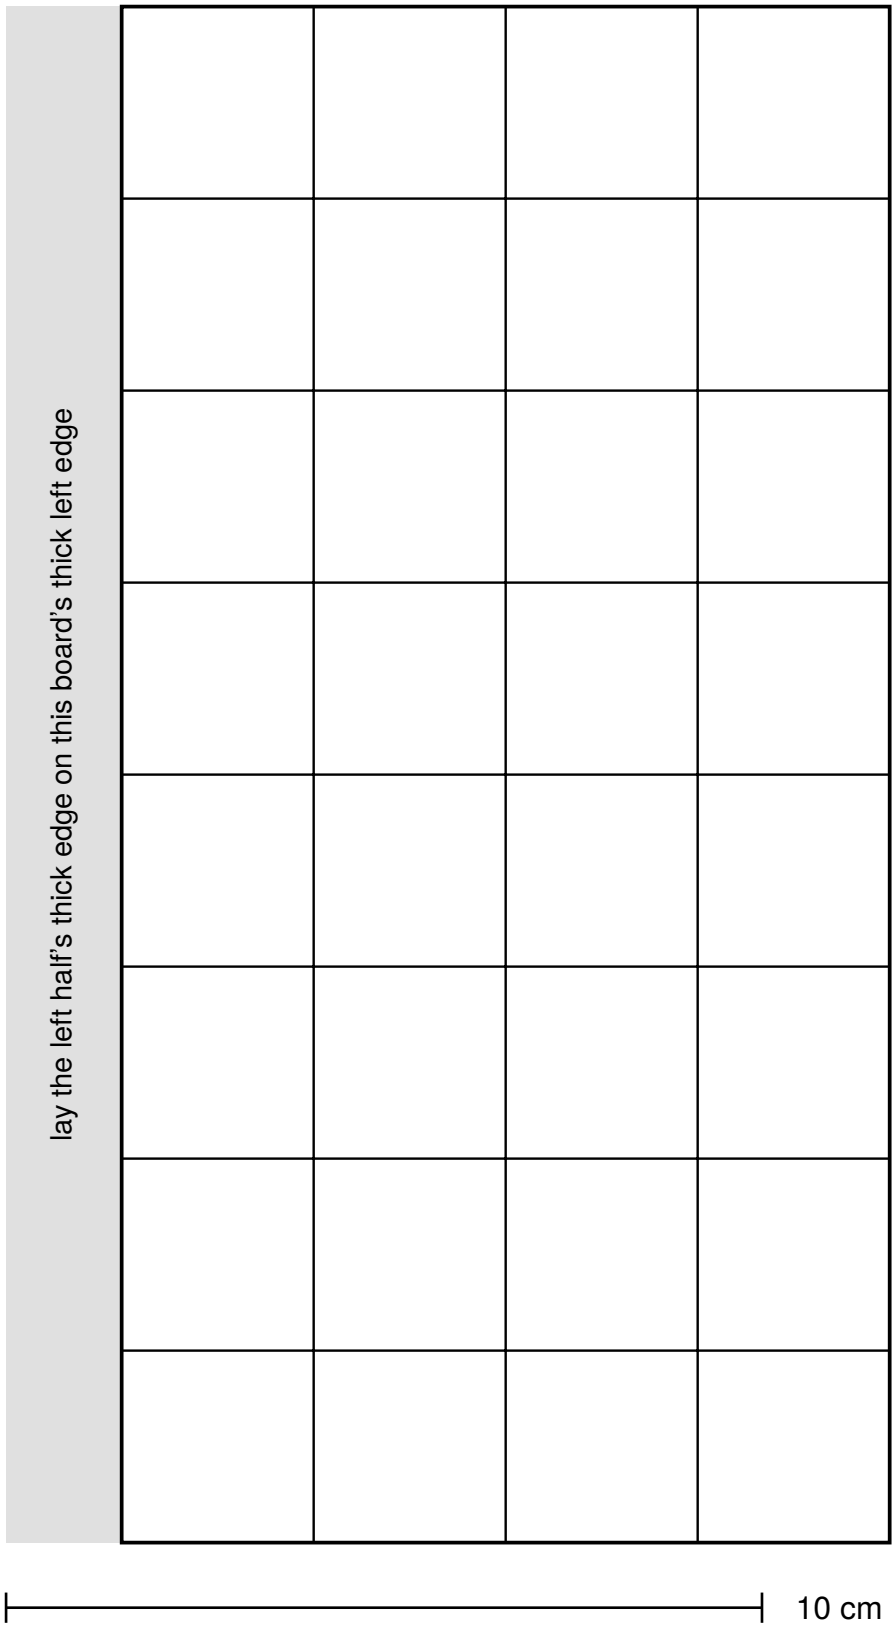
Print single-sided at 100% (*Actual size*, not *Fit to page*). Check one sheet with a ruler before printing the rest: the line under the board must measure 10 cm and each square 1 inch.



8-by-8 game board, left half, with the star.

Only if your printer cuts off an edge of the 8-by-8 board on sheet 1: print one left half (sheet 3) and one right half (sheet 4) for each 8-by-8 board. Cut this half along the board's thick right edge. Lay it on the grey strip of sheet 4 so that this edge covers sheet 4's thick left edge, tape the halves together on the back, and check that the squares at the join are 1 inch.



8-by-8 game board, right half.


Only if your printer cuts off an edge of the 8-by-8 board on sheet 1: print one left half (sheet 3) and one right half (sheet 4) for each 8-by-8 board. The left half (sheet 3) goes on the grey strip, with its thick right edge on this board's thick left edge.
