Table kit. Print 1 per table on card stock at 100%. Cut on the grey lines: 12 R cards, 12 B cards, 12 blank state circles and 4 markers. Each pair takes one solid and one ring marker, so two runs on one machine can be told apart. A marker fits on a printed circle of the student pages, and two fit side by side on a state circle.

10 cm scale check: measure before cutting
