

# Twelve extra rhombi

Use these if you need more small blue blocks. Cut on the dark outlines. These paper pieces have the same geometry as the  $1\times$  blue rhombi; color them blue if helpful. Use card stock if available.

Your 21st Century and Upscale  $1\times$  blue rhombi can be mixed if their edges match. Set  $2\times$  and  $3\times$  pieces aside for the core tasks.
