Line up for the photo

Name: _____

Five animals stand in a line for a photo. The picture shows how tall each one is. Write each animal's name in its place in the line.

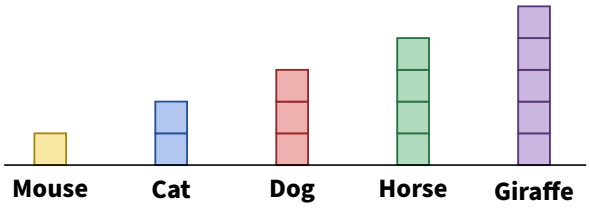

left end right end

1. Horse stands in the middle.
2. Dog stands at one end of the line.
3. Mouse stands between two taller animals.
4. Mouse stands right next to Cat.
5. The animal at the left end is shorter than the animal at the right end.

Done? Cross out clue 5. How many answers are there now? Write a new clue that makes it exactly one again.

Line up for the photo (three animals)

Name: _____

Three animals stand in a line for a photo. The picture shows how tall each one is. Write each animal's name in its place in the line.

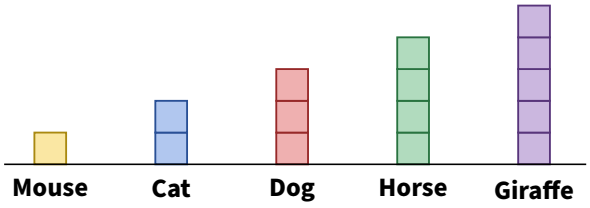

left end		right end

1. The tallest animal stands at the right end.
2. Mouse stands between two taller animals.

Done? Try the five-animal puzzle.

Line up for the photo (no place given)

Name: _____

Five animals stand in a line for a photo. The picture shows how tall each one is. Write each animal's name in its place in the line. No clue names a place in the line.

left end				right end

1. Every animal taller than Cat stands somewhere to the right of Cat.
2. Cat stands right next to a shorter animal.
3. Horse stands right next to Mouse.
4. The two tallest animals stand side by side.

Done? Write your own five-animal puzzle with exactly one answer, and give it to a friend.
